# Authorization to Accept Financial Responsibility

I, the undersigned, understand that my dental insurance company may reimburse posterior composite (white fillings) at the same amount that amalgam (silver) fillings are benefited for the same teeth.

It is understood, however, that often times it is the preference of the patient and/or the treating dentist to utilize composite materials. Under these circumstances, I accept the additional financial responsibility, if any, for the placement of posterior composites. My actual cost will be determined by deducting the insurance company's payment amount from the actual charge.
